FINDING MATERIAL
You should divide your research into two stages:
Stage 1: Use the library databases to identify a source, e.g., a journal article
Stage 2: Use various resources to obtain the source, including:
360 Link / List of E-journals – a list of magazines & journals available via our databases
List of Print Journals – a list of our print serials; the list is available in print & online
Librarians – always feel free to ask a librarian to help you locate material
Interlibrary Loan – fill out an online ILL form to obtain material we do not own
