Use the **User Preview** tool to see the course as a student does. Click the **User Preview** (glasses icon) to open it.

Select **Team Leader** before the course is open for students. The Student role can be used after the course is open for students. Then click **Begin Preview**. You will be returned to the Course home page.

Return to your normal view as a Course Editor
- Click **User Preview** (glasses icon)
- Select **Cancel Preview**
