**To determine your final exam time and date, follow the instructions below:**

1. Look in the table to find the combination that contains both the days your class meets and time your class starts.  
(M = Monday, T = Tuesday, W= Wednesday, R = Thursday, F= Friday, and S = Saturday: TR would be Tuesday and Thursday)
2. In the shaded area at the top of the table is the exam date. The shaded area at the left of the table is the exam time.

Example: If your class meets on MWF and beginning at 9:20, the exam date is Monday, December 8th at 8:00 am

\* The final exam room is the same as the class meeting room.
